GOODS AND SERVICES

10. QUOTES

- 10.1 Term and effect: Quotes will only be valid for 7 days unless otherwise specified in the Quote. A Quote creates a binding contract between You and Us.
- 10.2 Quote is valid for 7 days only unless otherwise specified in the Quote. Expiration dates on quotes are set to be able to inform Us when the quote is still active or it is to be discarded. Once discarded, a new quote will need to be requested.
- 10.3 Once a quote has been confirmed by Us, then the prices in the quote will be confirmed as the final agreed price. A quote is confirmed as 'final' as soon as both parties agree with the final price after any last changes requested by You and agreed to by Us.
- 10.4 The price in the final quote may vary from the original request if there is any price or product changes requested by You. We reserve the right to alter product and prices in the quote, unless an Order has been issued and accepted.
- 10.5 Quotes and estimates shall be deemed to correctly interpret the original specifications and are based on the cost at the time the quote or estimate is given. If

You later require any changes to the quotes, and We agree to the changes, these changes will be charged at Our prevailing rate.

- 10.6 Once the Quote has been confirmed and converted to an Order, the Order will be subjected to our normal Terms and Condition of Sale.
- 10.7 The general minimum turnaround time to provide a Quote in response to a Quote request is usually 1 week. In the event that a quote is required urgently please let us know so that we can respond to it accordingly.
- 10.8 When a special price or discount offer has been applied to a Quote, no other special promotion, discount or bonus offer will be applicable.
- 10.9 In the event that products in the Quote are subjected to any price and supply fluctuations that are outside of Our control, We reserve the right to update the price and products in the Quote accordingly. For example, if a product has undergone a price drop or a price increase, the Quote will then be adjusted accordingly. If there is a product that is no longer available, the product will then be replaced or substituted based on Your request and is subject to Your final approval.
- 10.10 Prices for non-stocked products are subject to Price and availability fluctuations and can only be confirmed once the Quote is turned into an Order. While We attempt to honor every price quoted, if there is a price increase that is beyond our control, We reserve the right to increase the price as necessary.
- 10.11 Once a Quote has already passed its stated expiration date, it is automatically withdrawn unless We, in our sole discretion, elect to honor the Quote.
- 10.12 ETA information is based on estimates given to Us by our vendors and cannot be relied upon as actual promised delivery dates.
